# Take Your Career to New Heights with Us

## CMI Accreditation Programme

**Certificate in Corporate Governance & Operation Management** is accredited by the Chartered Management Institute (CMI) and has been independently assessed to meet their high standards for top-quality management and leadership development.

## CMI PARTNERSHIP

This Certificate in Corporate Governance & Operation Management is approved by the Chartered Management Institute (CMI), giving you a powerful edge in your career.

## WHO CMI ARE?

The Chartered Management Institute (CMI) supports over 230,000 members and works with more than 1,000 businesses and education providers around the world. As the only Chartered body for management and leadership, CMI offers trusted accreditation, flexible learning pathways, and internationally recognised qualifications.

## Who We Are?

We are the CMI Recognised Partner, with certified training providers to deliver HRD Corp Claimable Courses, which means as an organization that has been formally approved by the Chartered Management Institute (CMI) to deliver training and development programs that meet CMI's rigorous standards for leadership and management excellence.

## WHO SHOULD JOIN?

- Aspiring Manager
- First Line Manager
- Professional Executives
- Middle and Senior Manager
